

Watch: Portable machine to print fake currency notes found in Bengal

Mar 07, 2020 22:00 IST

Alipurduar, West Bengal

ht

about the video

A video of a portable Indian currency printing machine, measuring about two square feet in dimension and fitted with two gauges and six buttons, stumped West Bengal forest department officers on Friday when they raided a house in Alipurduar district in north Bengal in search of wildlife parts. Two men were arrested.
