DELHI: Man held for entering Delhi airport on fake ticket: A man was apprehended at IGI Airport for allegedly using a fake ticket to enter the terminal area. V S Mann was apprehended by security personnel on Saturday evening when he was leaving Terminal 3 of the airport. Mann was stopped and questioned as exiting the terminal area is not allowed under normal

circumstances.

The passenger told the CISF personnel that he used a "cancelled" air ticket to Hong Kong for entering the airport's terminal to see off his parents who were travelling to a foreign country. Mann was later handed over to the police, which booked him on charges of criminal trespass. Entering an airport's terminal without a valid ticket is illegal under the Indian aviation rules.
