Bijnor: Local intelligence unit (LIU) has arrested two persons for allegedly making fake Aadhaar cards. Police recovered an eye-scanner, laptops, fingerprint scanners and some other equipment used in making the fake cards from Prem Raj and Nasir Ahmad.

The intelligence team got a tip-off that some persons are

running a public service centre at Hakimpur Shakarganj village and they are making Aadhaar cards illegally. A joint team of intelligence and police raided the place on the intervening night of Sunday and Monday and arrested the duo. Their accomplices managed to escape from the scene.

According to Dhampur station house officer, Sanjay Panchal, "A joint team of police and intelligence has arrested two persons for making fake Aadhaar cards. Police have recovered two laptops, one printer, eye scanner, finger print scanner, web camera, one charger, five Aadhar cards, five pan cards, six voter Ids and one affidavit etc."
