Rajkot: A total of 29 barrels of 5,800 litres of spurious insecticide, worth Rs 35 lakh, were seized from a farm in Gangecha village of Maliya-Hatina taluka in Junagadh district on Sunday morning.

Police said the cache of the spurious insecticide had been secreted in the farm by Piyush Vadaria, who fled from the spot before the arrival of the cops.

“We have sent the insecticide cache to the forensic science laboratory (FSL). We will lodge a case against Vadaria after the FSL report is submitted,” said Maliya-Hatina police sub-inspector K K Odedara.
