Hamirpur. Hundreds of illegal factories manufacturing fake gutkha and cigarettes have been openly tied to local administration for months in the area, including the fertilizer department and local administration, for the past several years in Bharua Sumerpur Muskra town including Rath Kotwali area.

Fake gutkha factory running indiscriminately

In the dark of night, the factory starts making a roar of fake gutkha, including the town. This mafia, which manufactures cigarettes, including fake gutkha, sells its counterfeit goods in the name of several well-known registered companies and sells them openly in the markets. This mafia, who illegally runs a factory of fake gutkha and cigarette manufactures fake tobacco in their own factories, poisonous trees including rotten street spices, acid acid in basarum leaf, making fake tobacco and stuffed gutka and cigarettes in the markets of the area including the town Sell.

There are serious illnesses

Due to consumption of fake gutkha and cigarettes, youth and children, including elderly youth, are suffering from cancer and serious mouth diseases, in the cheek of the times. Fake gutkha and cigarettes can be seen openly being sold in Pan Guntis, including most of the small and small shops of the area, including Rath town. Not only this, these gutkha mafia openly sell their fake motorcycles in four markets including their motorcycles in the markets. Even after knowing about hundreds of illegal gutkha factories operating in many areas including the town, the administration is sitting unaware.

There is no fear among businessmen

Let me tell you that when the Superintendent of Police of Hamirpur district came to know about these illegal gutkha factories in the past, immediately the SP did not trust the Rath Muskra Police and sent the Food Department to hold the fact of making an illegal fake gutka of the town. Did expose tax. Even after this, there is no fear of any kind among the traders. The intelligentsia of the area has asked the District Collector and Superintendent of Police to take action against these mafias running the fake Gutkha factory in the area and the guilty employees who supported them.
