

## **Spurious drugs worth Rs 23L seized**

The Drug Control Administration of the Health Department has seized spurious drugs worth face value of Rs 23 lakh from a trader in Cuttack city. The spurious drugs were seized from MH Pharmaceuticals at Nayasarak on Thursday, sources said.

The drugs were seized after receiving replies from the manufacturers regarding the authenticity of the medicines. These drugs were segregated and their sales were stopped immediately. The medicines were procured from Uttar Pradesh.

The Odisha drugs enforcement is in touch with their counterparts in several States including Uttar Pradesh to find out all those involved in the supply chain of the spurious drugs.

“We have been screening the drugs available in the Odisha market continuously. Drugstores have been asked to stop sales immediately if there is any suspicion on the authenticity of any drug,” said an official of the Health Department.
