Adinarayana and Nagamma of Mudigubba mandal are harassing people by showing fake currency notes available in grocery shops. It was during this event that last month he got in touch with Dudekula Babayya of Kamalapuram village in Garladinne mandal. They believe that they have a machine that makes 500 rupee notes and if you give 1000 they will give you 3 thousand. The first time they gave four Rs.500 notes and believed that they would not check. They checked the Rs.500 notes given by the thieves and believed them to be original notes. Babayya believed them and gave them Rs.10 lakhs when Maya told them that if they gave Rs.10 lakhs for the second time, they would give them Rs.30 lakhs. The victim identified the Rs.30 lakh given by the robbers as fake notes as they did not change anywhere. He immediately approached the police.
