

Fake Liquor: 22 people died after drinking fake liquor, more than 10 people fell ill!

The series of deaths occurred in Lakshmipur village of Motihari district of Bihar state and it is learned that the condition of many others is critical. The injured have been admitted to various hospitals, including the district hospital, where doctors are treating them. The grief of the family members of the deceased has reached its peak. In April 2016, the Chief Minister Nitish Kumar-led government had imposed a complete ban on the sale and consumption of liquor in the state. Despite the ban on liquor in Bihar, fake liquor is being sold in Kalasanthi and deaths continue to occur after consumption of locally produced liquor. Meanwhile, once again the case of poisoned liquor has come to the fore in Bihar. The menace of fake liquor has been found again in Motihari district. 22 people have died under suspicious circumstances in East Champaran after consuming fake liquor and more than 10 people are sick. It is known that people suffer from weakness and vision problems after consuming alcohol.
