

Counterfeit cholesterol drugs worth ₹3 lakh seized in raids at Koti

Officials from the Drugs Control Administration (DCA) carried out raids on multiple pharmaceutical dealers in Koti, Hyderabad and uncovered counterfeit stocks of the cholesterol-lowering medications *Rosuvastatin F 20* and *Rosuvastatin F 10*.

These drugs are prescribed to lower cholesterol and triglyceride levels and prevent heart-related ailments. The spurious drugs were being circulated in the open market under the guise of legitimate products manufactured by Sun Pharmaceutical Industries Limited.
